New Mexico  
Workforce Connection

NORTHERN AREA

## New Mexico Workforce Connection, Northern Area, Media Fact Sheet

**Vision:** *To be the labor market's number one choice in business-driven services.*

**Mission:** *To educate and train our workforce to meet the changing needs of Northern New Mexico businesses.*

**Objectives:** *To develop business-driven services, programs, and partnerships for adults and youth that function as a coordinated and integrated system.*

The purpose of the One Stop System is to provide services for job seekers and employers, to develop partnerships for integrated workforce services delivery, and to serve as the hub for developing demand-driven, customized training services for employers and priority industries.

**Funding:** The New Mexico Workforce Connection, Northern Area, is funded by the Northern Area Local Workforce Development Board. Their 10 One Stops are located in Las Vegas, Mora, Raton, Santa Fe, Espanola, Los Alamos, Taos, Farmington, Gallup, and Grants.

**Partners:** The New Mexico Workforce Connection collaborates with several state agencies to provide a comprehensive range of employment, training, and related services. Some of their key partners include the Department of Workforce Solutions, Public Education Department: Divisions of Vocational Rehabilitation and Adult Basic Education, Commission for the Blind, Economic Development Department, Commission on Higher Education, Job Corps, and the New Mexico Aging and Long-Term Services Department.

**Services:** The New Mexico Workforce Connection, Northern Area, offers Northern-area residents access to a goldmine of quality career and job placement resources. At the One Stops, workers and employers can meet with staff to receive any of the following services:

## Job Seekers
