Enterprise Rent-a-Car to Visit Santa Fe One Stop

Santa Fe, NM. March 27, 2007. The New Mexico Workforce Connection, Northern Area, enjoyed another successful employer WIA orientation with the New Mexico Department of Transportation (DOT) earlier this week. Jeanette Garcia from the New Mexico DOT spoke to job seekers at their Santa Fe One Stop on the types of employees they are looking for and what positions they are trying to fill.

In their ongoing efforts to provide outstanding career and placement services for their Northern Area residents, the Workforce Connection has invited Yvonne Enriquez and Jim Schlosf from Enterprise Rent-a-Car to visit their Santa Fe One Stop and to give a presentation at their next WIA Orientation, which will take place on Monday, April 2, at 9:30 a.m.

Enterprise is currently hiring dependable, detail-oriented, and computer savvy individuals for the following positions: Manager Trainees and Student Internships. Interested applicants should arrive at 9:00 a.m. on Monday, April 2, so they can attend the entire orientation. Applicants should also bring a resume, if they have one, and dress professionally.

The Santa Fe One Stop holds free WIA Orientations every Monday at 9:00 a.m. and Wednesday at 1:00 p.m. to assist job seekers in the Santa Fe area. Job seekers will benefit from these orientations as they learn such skills as how to conduct job searches, create or update resumes, apply for jobs online, and interview and impress a potential employer.

The Santa Fe One Stop is conveniently located at 2904 Rodeo Park Drive East, Suite 300, at the intersection of Sawmill and Rodeo Rd. To learn more about the New Mexico Workforce Connection's myriad career development and placement services, please call (505) 473-5831.
