Kemtah Career Development Course Offered to Area Residents

Santa Fe, New Mexico. May 2, 2007. The New Mexico Workforce Connection, Northern Area, recently sponsored a Kemtah Career Development Course that was offered free of charge to Northern New Mexico residents to enhance their Microsoft Office, Quick Books, and job readiness skills. The Kemtah instructor, Walter, Fayne, had good things to say about the Santa Fe One Stop and its staff, "It's a wonderful training center. The One Stop Staff are excellent. You can tell they really care about the students. Hands down, this is the most impressive One Stop I have visited, statewide."

The 8-day training began on April 23, 2007, and ran through May 2, 2007. It took place in the resource room of the Santa Fe One Stop, which is located at 2904 Rodeo Park Drive East, Suite 300. The students met from 8:00 a.m. to 3:00 p.m. daily. The participants were impressed with the caliber of training and amount of new information presented. One participant stated, "I have greater confidence in getting a better job now, because of the computer skills I have learned in this course." Another student added, "What I like best is that we get hands-on experience...The instructor is great. You can tell he really cares about each student."

The next Kemtah Career Development Course is scheduled to be offered at the Santa Fe One Stop later this spring. To register for the next Kemtah course or to learn more about the One Stop's career development and placement services, please call (505) 473-5831.

About the New Mexico Workforce Connection, Northern Area

The New Mexico Workforce Connection, Northern Area, is funded by the Northern Area Local Workforce Development Board. Their 10 fully accessible One Stops are located in Santa Fe, Espanola, Los Alamos, Taos, Las Vegas, Mora, Raton, Farmington, Gallup, and Grants. The One Stops are staffed by career development specialists to offer free career and placement services to unemployed and dislocated workers in the 10-county area.
