PESCO Career Fair a Success!

Farmington, NM. April 27, 2007. The New Mexico Workforce Connection, Northern Area, recently invited PESCO's Human Resources Manager, Chris Wray, to participate in a career fair at their Farmington One Stop. Many area residents attended the career fair to learn more about open positions with this leader in the gas and oil industry. Seven attendees impressed PESCO's HR Manager with their skills and qualifications and were hired on the spot for open positions with this company.

Due to the success of the recent career fair and the need for additional hires, PESCO will be returning to the Farmington One Stop in June of this year for another career fair to speak about the organization and to share what they are looking for in an ideal employee.

The Farmington One Stop holds free WIA Orientations every Monday at 9:00 a.m. and Wednesday at 1:30 p.m. to assist job seekers in the Farmington area. Job seekers will benefit from these orientations as they learn such skills as how to conduct job searches, create or update resumes, apply for jobs online, and interview and wow a potential employer.

The Farmington Fe One Stop is conveniently located at 3535 East 30th, Suite 129. To learn more about the New Mexico Workforce Connection's upcoming employer presentation or their many career development and placement services, please call (505) 566-5800.
