Ribbon Cutting Ceremony Held to Celebrate New One Stop

Las Vegas, NM. February 16, 2007. The New Mexico Workforce Connection, Northern Area, had an official ribbon cutting ceremony this week to celebrate their new One Stop in Las Vegas, NM. Mayor Sanchez was present to welcome the new center to the community and offered to work closely with its staff to provide much-needed employment opportunities for the city of Las Vegas and surrounding counties. Members from the SER Board and Northern Area Local Workforce Development Board were also in attendance to offer their support. Everyone present received a private tour of the new facility, which included software and computer demos presented by the center's Regional Manager, Luis Duran.

The One Stop is offering Las Vegas and surrounding-area residents access to a plethora of free career and job placement resources. Some of the available services include beginning computer classes, resume writing clinics, on-the-job and classroom training, access to online job banks, computer and soft skills training, and career placement. The Las Vegas One Stop Career Center is also positioned to facilitate a quick return to employment when layoffs occur and can assist dislocated workers and those re-entering the workforce with their immediate career and job-seeking needs.

The Las Vegas One Stop is conveniently located at 300 S. Grand Avenue in the old Martinez Oil and Gas building, across from the Smiling Faces restaurant. To register for any of their workshops or to learn more about their career and placement services, call (505) 425-0069.

About The New Mexico Workforce Connection, Northern Area

The New Mexico Workforce Connection, Northern Area, is funded by the Northern Area Local Workforce Development Board. Their 10 fully accessible One Stops are located in Santa Fe, Espanola, Los Alamos, Taos, Las Vegas, Mora, Raton, Farmington, Gallup, and Grants. The One Stops are staffed by career development specialists to offer free career and placement services to unemployed and dislocated workers and local businesses in the 10-county area.
