Ribbon Cutting Ceremony Held to Celebrate New One Stop

Mora, NM. March 2, 2007. The New Mexico Workforce Connection, Northern Area, had an official ribbon cutting ceremony this week to celebrate their new Itinerant One Stop in Mora, NM. Members from the SER Board and Northern Area Local Workforce Development Board were in attendance to offer their support. Luis Padilla from HELP New Mexico was also present to welcome the new Itinerant One Stop to his co-located facility. Everyone present received a private tour of the new facility, which included software and computer demos presented by the center's Regional Manager, Luis Duran.

The Itinerant One Stop is offering Mora and surrounding-area residents access to a plethora of free career and job placement resources. Some of the available services include beginning computer classes, resume writing clinics, on-the-job and classroom training, access to online job banks, computer and soft skills training, and career placement. The Mora One Stop is also positioned to facilitate a quick return to employment when layoffs occur and can assist dislocated workers and those re-entering the workforce with their immediate career and job-seeking needs.

The Mora One Stop is co-located with HELP New Mexico and is conveniently located off Highway 518, across from St. Gertrude's Church. To register for any of their workshops or to learn more about their career and placement services, call (505) 387-6225.
